莒南坪上石材厂
Junan Pingshang Stone Factory

Brief Introduction

Our company was established in 1993, and now we have three factories, they are located on the east coast of China in Shandong province; have an advantageous geographic location for convenient transportation and shipping.

We are capable of providing various kinds of high quality stone products integrated with different designs. All types of stone products are available. They include but not specifically limited to stone carvings, animal figurines, statues, fountains, fireplaces, monuments and other landscaping garden items. We also produce building construction material of all qualities from high end granite work to mass produced courtyard pavers. Our products have been widely accepted in European Countries, North America, Japan, and Southeast Asia.

We have the latest technology and material resources to provide even the most demanding requirements. We have earned and enjoy the highest reputation for providing high quality stone products in China and throughout the world.

Our motto is "Quality First, Customers Supreme". We sincerely welcome domestic and overseas customers to visit our factory.
